STEWARDSHIP CALLING

Your Stewardship Calling Implementation Team is currently working on the launch of eight new ministry groups. The Welcoming Ministry will be our first “rollout”. The aim for each ministry group, old and new, is a healthy balance of a) oversight and input from senior leadership and b) the encouragement for each group to fully engage with joy in shaping and carrying out their ministry together.

“If we always see God in our minds, and always remember Him, everything will appear tolerable to us. We can bear everything easily and be above it all. For when we see or remember a loved one, our spirits are aroused and our thoughts elevated. So then, when we call to mind and remember the One who actively loved us, would we feel pain or dread anything that is terrifying, fearful or dangerous? Would we be cowardly? Never. For things appear difficult to us only when we don't remember God as we should, when we don't always carry Him in our thoughts.”

St John Chrysostom
