Their mission is to bring together young Orthodox Christians with a love for music and a desire to serve their Church, to work toward the common goal of understanding and living the theology of Orthodox hymnography to the glory of God. YOUTH EQUIPPED TO SERVE

YES is the youth program of FOCUS North America and will be coming to San Francisco on Saturday, November 9. Our youth are invited to participate for a donation of \$25 which covers trip expenses, program preparation, and service to those in need.

- Learn how to approach people in need and how to break down stereotypes
- Connect with organizations doing great work in the City
- Share fellowship and learning with other youth eager to serve

You can register online at www.yesnorthamerica.org. Please mark your calendars for the event and speak with Christina Salibi if you are interested in participating.

If we dare to call ourselves Orthodox Christians, if we are bold enough to utter even a single prayer to God, then we must first examine ourselves and see if we are truly humble. We must carefully inspect our relationships at home, at work and in the parish. Where we see conflict, we know that we still lack humility. The perfectly humble man or woman has no such animosities towards his or her brethren.”

His Eminence, Archbishop JOSEPH
