Philaret of New York (+1985) wrote regarding concerns about people who are not Orthodox: “The Lord, ‘Who will have all men to be saved’ (1 Tim. 2:4) and ‘Who enlightens every man born into the world’ (Jn. 1:43) undoubtedly is leading them also towards salvation in His own way... They have a Savior Who desires the salvation of every human being. He will take care of them. You and I should not be burdened with such a concern. Study yourself and your own sins....”
